Brass Band

The year started with a celebration of Kirkbymoorside Town Brass Band – Brass en Mass. The concert featured the combined ensembles of the Training, Learner, Junior, Community and Senior Bands. Over 90 musicians of all ages took to the stage for the spectacular concert.

Many brass bands are now sponsored but Kirkbymoorside remains a band of the community, supported by public subscription and donations alone.

It is a true testament to this support that the band is able to stage world class concerts and they would like to thank the community for their continuing generosity and support. Please see the diary section for their coming events.

Memorial Hall

The Memorial Hall is holding its AGM on Monday 15th April, 7.00 pm in the Dug Out. Come along to find out more about the Hall. New Committee members are always welcome to help preserve this valuable resource for the community.

Arts

50th anniversary of John Arden's Festival

In 1963 the Playwright John Arden (who died last year on March 28th) decided to hold a Festival in Kirkbymoorside and placed an advertisement in a theatrical magazine asking artists to 'Come to Kirkbymoorside and help Arden spend his money like water'.

A host of writers, film makers, poets and musicians answered the call: Roger McGough, guitarist Mike Hart, Brian Patten, Adrian Henri, Alan Clarke and Arnold Wesker - to name but a few - all came to the town.

John Arden, Margaretta D'Arcy Kirkbymoorside 1963

This year the 50th anniversary of that Festival is being celebrated on 11 April - in a free fringe event at Scarborough Literature Festival 1-00pm at Woodend and 15 August - at Ryedale Folk Museum

Play Area damage

During the February school holiday £300 of damage was caused at the Old Road Play Area. The police have asked that any anti-social incidents are reported by calling them on 101.

Kathy and Kathryn

Wednesdays won't be the same when the end of March comes around. The reason? As a result of the decision by Ryedale District Council to withdraw their staff from the library, we will be losing Kathy Robson and Kathryn Bower who have worked there on Wednesdays since the move to Church House in 2009. In that time they have helped so many of us and have always had time for a chat.

We want to say a huge "Thank you" to them for their valuable work in the town and wish them both all the very best for the future.

Kathy Robson and Kathryn Bower

Skatepark

The young people who use the Skatepark told the Council of some improvements to the equipment that they would like to see and the work was completed at the end of February. In the words of one of the users, 'It's perfect now!'

Library Volunteers needed!

If you would like to be involved in helping to keep our library open please give your name and contact details to a member of staff at the library or at the Town Council office and we will get in touch with you as soon as possible. Volunteers are needed on Monday mornings and Thursday afternoons and evenings for 2 1/2 hours to 3 hours every few weeks.

Council Meetings

Council Meetings are held on the third Monday of the month at 7.30pm in Church House. Members of the public are very welcome to attend and all meetings include a session when they can ask questions or speak about any item on the agenda.

New Town Clerk

Lisa Bolland joined us in January as our new Town Clerk. Kenyan born, Lisa first came to the UK to attend the University of Wales Institute Cardiff, where she studied Sports Science. She then moved to London and thereafter to St Albans where she diversified into Event Management. Lisa moved, with her husband Paul, to his home county of North Yorkshire in November 2010 and instantly fell in love with the area, promising never to look back(or south!). Lisa is applying her professional experience to the role of Town Clerk and has already become a great asset to the council and the community. She is available in the Library for a few hours every Wednesday to answer any of your queries about Council matters.

Contact the Council

If there are problems in your area with any council services you can report them at the Library and they will be passed on to the relevant council. We hope you will use the library as a one-stop shop for County and Town Council matters.
